1. Lawrence John Lundy, Member of Council, one of His Majesty's Principal Secretaries of State, in virtue of the powers conferred by section 230 (1) and section 230 (4) of the Government of India Act, 1935, hereby make, with the concurrence of my Advisers, the following rules:—

2. These rules may be cited as "The Reserve Posts (Indian Police) Rules, 1935."

3. The posts specified in the Schedule to these rules hereinafter referred to as "reserved posts" shall be filled either by members of the Indian Police or by persons not being members of the Indian Police, according to the provisions of these rules.

4. If the Governor is of opinion that it is essential for the efficiency of any branch of military police that the post of Commandant or Assistant Commandant of that branch, being a post included in the Schedule, shall be filled by an officer of His Majesty's Forces, and if, on application in that behalf made to him, the Governor is of opinion that it is expedient, the Governor may appoint that officer to the post for a term of a number of the Indian Police.

(d) the duties and powers of Inspecting Officers appointed under section 5; and

(3) In making a rule under sub-section (1) or sub-section (2), the Provincial Government may provide that a breach thereof shall be punishable with fine not exceeding fifty rupees.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to levy an electricity duty with a view to augment the revenue of the Province. An electricity duty is being levied both in Bombay and Bengal—See Part II of Bombay Act II of 1932 and Bengal Act X of 1933. Under those Acts a duty of six pice for each unit of electrical energy consumed is being levied on consumers of electricity for lights and fans and is collected from them by the companies supplying the electricity. Under the present Bill, the duty is proposed to be levied on licensee selling energy instead of on the consumer. Small licensees, that is to say, those supplying less than 16,666 units per annum or 200,000 units per annum will be exempt from the duty. No duty will be levied on sales of energy at less than two times per unit. The provisions of the Bill are based for the most part on those contained in the Bombay and Bengal Acts mentioned above.
